

## EURAXESS ASEAN Flashnote

27 February 2017

### Breaking News - ERC projects behind exoplanets discovery!

There is also the EU, and in particular the European Research Council (ERC), behind the revolutionary discovery announced last week by NASA about potentially inhabitable exoplanets. This discovery of the Trappist-1 system was made in the context of "SPECULOOS" (Search for habitable Planets EClipsing Ultra-cOOl Stars), an ambitious project led by Michaël Gillon (University of Liège, Belgium), supported by a Starting grant from the ERC. Read more [here](#).

### Europe: MSCA Research and Innovation Staff Exchange (RISE) Call. ASEAN Researchers and Research Staff Eligible. Call Now Open. Deadline 5 April, 2017

MSCA-RISE aims at international and inter-sector collaboration through promoting research and innovation exchanges of staff. MSCA-RISE will support short-term mobility of research and innovation staff at all career levels, from the most junior (post-graduate) to the most senior (management), including administrative and technical staff. Familiarise yourself with the most important documents ([Guide for Applicants](#) and [Work Programme](#)). Watch a webinar with application advice held by the Irish Universities Association [here](#). Contact us for more information [asean@euraxess.net](mailto:asean@euraxess.net)

### Italy: 20 MSCA PhD positions in Life Sciences. Deadline 30 March, 2017

INCIPIT is a novel international PhD programme, which aims at providing innovative multidisciplinary and intersectoral training in Life and Biomaterial Sciences. It is co-funded by the COFUND scheme (Marie Skłodowska - Curie Actions). This programme pools the different and complementary expertise of 8 research institutes of the Consiglio Nazionale delle Ricerche (CNR), as well as the competencies of 3 Doctoral Schools and several academic, non-profit and industrial Partner Organisations. More info [here](#).

### United Kingdom: Master's Fellowships in Public Health and Tropical Medicine. ASEAN Researchers Eligible. Deadline 29 March, 2017

This scheme provides junior researchers from and low and middle income countries with the opportunity to gain research experience and training at Master's degree level. The scheme aims to support research that will improve public health and tropical medicine at a local, national and global level. Details [here](#).

### United Kingdom: Training Fellowships in Public Health and Tropical Medicine. Deadline 8 May, 2017

This scheme offers research experience and training to early-stage researchers from low- and middle-income countries. The scheme aims to support research that will improve public health and tropical medicine at a local, national and global level. Funding for up to 3 years. Details [here](#).

**France – AgreenSkills+ Postdoctoral Fellowships. ASEAN Researchers Eligible. Deadlines 28 April & 13 October**

AgreenSkills+ is an international mobility programme co-funded by the European Union's Seventh Framework Programme for research, technological development. The programme is aimed at talented researchers from all over the world holding a PhD with less than 10 years of postdoctoral research experience. Research projects in the fields of agriculture, food, nutrition, environment, animal health and veterinary public health may be supported. More information [here](#).

**Germany: DAAD Scholarships for ASEAN students Interested in a Masters Degree in Engineering in Bangkok and Aachen, Germany. Deadline 15 May, 2017**

Students from across Southeast Asia (except Thailand) may apply for DAAD scholarship which covers tuition fee and all living expenses during the first year study at the Thai-German Graduate School in Bangkok and the second year study at RWTH Aachen University in Germany. Details: [here](#).

**United Kingdom: Royal Society Newton Mobility Grants. Researchers from Thailand and Malaysia Eligible. Deadline 15 March**

The Royal Society offers Newton International Exchanges as mobility grants to provide international researchers with funding towards travel, subsistence and research expenses for either a one-off short visit to explore opportunities for building lasting networks or for bilateral visits to strengthen emerging collaborations. Details [here](#).

**United Kingdom: Royal Society Newton Advanced Fellowships. Researchers from Thailand and Malaysia Eligible. Deadline 15 March**

This scheme provides established international researchers with an opportunity to develop the research strengths and capabilities of their research group through training, collaboration and reciprocal visits with a partner in the UK. The skills and knowledge gained should lead to changes in the wellbeing of communities and increased economic benefits. Details [here](#).

**Germany: The Falling Walls Fellowship for Journalists. Deadline 25 June**

The Falling Walls Fellowship for Journalists is aimed at journalists and bloggers with at least three years of experience, and who hope to advance their knowledge in the area of sciences. The Fellows get the opportunity to attend the Falling Walls Lab, Falling Walls Venture, the Falling Walls Conference as well as an additional programme in Berlin around 8 and 9 November 2017. The fellowship includes travel expenses (economy class), accommodation for 3 nights (organised by Falling Walls Foundation), conference fees and meals (breakfast at hotel, catering during the Falling Walls events). Details [here](#).
